Tuesday Oct 8, 2013 at 12:01 AM A week and a half ago, I was worried about things that never happened. I don't know if it was some type of stressful situation or the fact that I didn't sleep in my bed. I don't know about you but I bet you struggle with finding your place in the world in which you live. You might worry about yourself, your family, and things that are going to happen in the future. If you are like me, you have many things on your mind and you are afraid that you will never have a chance to accomplish your dreams. The fact that you read this part in the column, you want to change your life and something you have on your mind ever since you were a child. You are better than your past, you can change your past. The key to success is to do something that is directly related to your goal. You must think about how you can get what you want and how you can achieve your dreams. You should look at the daily happenings of your life and look at your current situation. What I mean to say is, you should stay focused on your goal. If something has happened in your life to make you want to find a new job, look at that as an opportunity. Look at your life like a calendar. When you make changes in your life, you add events and dates. A week and a half ago, I was worried about things that never happened.
