Suzy Tang Shoes: Inspired by the seasons and the travel themes we have been travelling through, I decided to design a new range of shoes for suzytang.com, whose names are Suzy Tang Shoes. They are shoes to

match with any one of the seasons. I have used the theme of travelling and the different months (and seasons) we have been travelling and our beautiful world. The Spring season theme is inspired by our trip to New York for a shooting. The Summer season theme is inspired by our trip to New Zealand for a photo shoot. The Autumn season is inspired by our trip to Thailand and the Winter season is inspired by our trip to Denmark and our epic shoot with the suns. I hope you enjoy these shoes as much as I do and I look forward to seeing you in the markets in the future! I have used materials

FIFA is an award-winning football action sports game series that brings to life the global game of football. The latest installment in the series, EA SPORTS FIFA 22, takes players into the dynamic world of real football and scores again on improvements in gameplay and the most intense, authentic and connected gameplay experience to date. Players have two weeks to decide whether they will represent Team of the Week or Team of the Season on the FIFA Ultimate Team™, and then they can train to gain skills, customize their team, and compete for the most prestigious tournament of all — the FIFA Ballon d'Or. With FIFA Ultimate Team™, players can create their own team of real-world athletes, and take on friends via a new “Pick-a-Player” mode. Featuring achievements, new player modes, and the first expansion pack for the series, FIFA Ultimate Team™ 2, EA SPORTS FIFA 22 releases on

October 29 and will be available on PC and PlayStation®4 computer entertainment system. New Season of Innovation FIFA has ushered in a new season of innovation that includes fundamental gameplay advances in the new game, which marks the first season in FIFA series history to receive the welcome “Powered by Football™” nameplate. Fans can look forward to an expanded suite of new features and modes, including the biggest global invitational ever, the return of the dynamic “Fan Goals” feature and a new fantasy mode, while some fan-favorite fan experiences and features like “Highlights” have been brought back. For the first time ever in the series, a player from the National Team of the Week will be included on the cover of the FIFA Guide. “FIFA 22 is the biggest and most ambitious game we’ve ever done, and we’re so excited to show it to our fans,” said Andrew Yip, Executive Producer on FIFA 22. “We listened to what players asked for in FIFA 19

and worked to deliver on the feedback. The biggest difference is that we have built everything from the ground up to make our game more social, more responsive and more intuitive.” “FIFA has always been the world’s most authentic football experience, and that doesn’t change with FIFA 22,” said Kevin Lee, Executive Producer on FIFA. “Players around the world will go head-to-head using the last-touch-decides rules and score like they’
